LUXE DOOR STRAIGHTENER PRO OCT761

A precision-engineered wardrobe door straightener designed to keep tall doors perfectly aligned over time.

With a sleek solid-rod design and concealed fixing plates, it reinforces the door panel from behind — effectively eliminating warping, bending, or sagging.

Crafted in Octune's signature minimal aesthetic, the straightener integrates seamlessly with both openable and sliding wardrobes, delivering quiet strength and enduring form.

• Uses:

Prevents door sagging or misalignment due to weight, humidity, or long-term use.

Ensures doors remain flush and straight over years of operation. Reinforces door rigidity, especially for tall shutters and full-height panels.

Works with both openable and sliding wardrobe doors.

Easy to install with adjustable plates and concealed hardware.

• Ideal For:

High-end wardrobes with tall or heavy doors.

Blockboard, plywood & MDF panels prone to bending over time.

Modern wardrobes where durability and alignment are essential.

• Finish: Graphite Gray
